The Ideal Family Home

Behind the outstretched driveway, established gardens and picture-perfect facade lies within an immaculately presented family home.

Offered to market for the first time, it has been fastidiously maintained and preserved in pristine condition.

Four bedrooms, two bathrooms and two living zones create the ideal family sanctuary whilst the garage, carport and additional store room/workshop are a distinct asset to the home.

Enviably located in the heart of Mill Park, you'll appreciate close proximity to The Stables Shopping, St Francis Primary and Mill Park Secondary whilst Westfield, Uni Hill and Ring Road are all easily accessible.
