***INSPECTION BY APPOINTMENT **

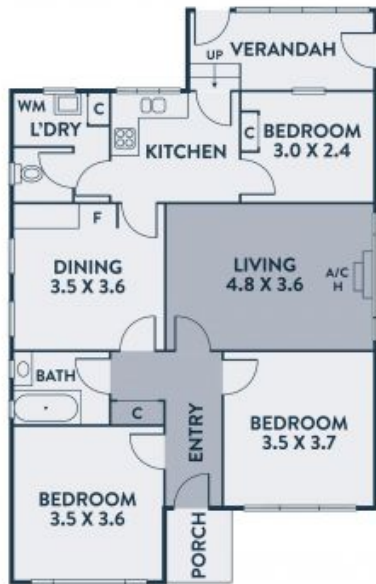

Behind the timeless facade of this double fronted weatherboard home, sitting on a generous approximately 578m2 north-facing allotment, you'll discover an equally appealing interior, enhanced by sought-after period detail and flushed with natural light. Decorative cornice, ornate ceilings, picture rails and timber floors feature in a layout introducing a spacious lounge, large meals area, three bedrooms that share the family bathroom and an updated kitchen showcasing stone, glass and stainless steel. With the bus at the door, local shops including a deli and cafe, footsteps away and with Ruthven Reserve, Northland and the tram on Plenty Road all within a short walk, it delivers an increasingly rare opportunity to renovate and extend, build the family dream or explore options to re-develop (STCA).
