Something special!

One of only six in the building, this light filled first floor unit features neat interior of impressive quality and impeccable taste. This unit is freshly painted with new blinds being installed. A spacious living room steps out to a balcony perfect for pre-dinner drinks when friends come over. The kitchen features stainless steel appliances with gas cooktop and room for a table and chairs. Two double bedrooms (both with built in robes, one with a split system) share a contemporary bathroom which provides the convenience of laundry facilities. Moments from local shops, the bus and Darebin Creek parklands, it is within easy reach of cosmopolitan Station Street. To top it all off there is also a covered car park, so if you're looking for something special then make sure you don't let this one get away!
