An Elegant Take on Family Living

It's time to indulge in space, comfort and elegance with this beautiful Mill Park abode. The four-bedroom, two-bathroom floorplan is ready for family living with all the room you need to move, play and entertain. The three guest bedrooms all have built-ins and easy access to the main bathroom, while the master suite relishes a walk-in robe and ensuite for added comfort.

In the light-filled lounge room, a beautiful bay window frames the leafy outlook over the gardens. There are floating shelves ready for your favourite photos, as well as plush carpet underfoot, recessed lighting and a neutral colour palette for an elegant feel.

In the kitchen, family and meals space, on-trend flooring is modern and stylish while the open-plan layout invites you to flow from one zone to the next. Contemporary updates are on show in the kitchen, including a double drawer dishwasher, and there is also a server window that connects the chef to the entertainer's alfresco beyond.
