A Touch Of Contemporary Class

Tucked away at the rear of a boutique group of craftsman constructed homes, this town residence delivers luxury low-maintenance living. All ages enjoyment is assured with the ground floor offering a bedroom with a luxurious stone finished ensuite (dual basins, dual shower heads) and complementing it with an expansive open plan living zone. Stretching out from a kitchen equipped with Smeg appliances and finished with stone tops over glossy soft-close cabinetry, it extends to a decked entertainment area, sandwiched between no-mow turf and featuring custom lighting and built-in seating. First floor spaces include two bedrooms sharing a stone finished family bathroom. Footsteps to the bus and local shops and cafes, it's a short walk to primary and secondary schools and the tracks and trails along Darebin Creek.
