COMBINED BEAUTY IN RESERVOIR

As it stands, this bright and beautiful three-bedroom home in a premier lifestyle pocket.

The immaculate presentation of the home allows you to raise your young family with comfort and convenience for many years to come.

Carpeted flooring and split-system heating/cooling delivers modern comfort to the radiant lounge, while timber benchtops and stainless-steel upright cooker introduces a modern character to the open-plan meals/kitchen area.

All three bedrooms are accommodating and serviced by a main bathroom; a freestanding bungalow in the elegant north-facing backyard presents an excellent work-from-home solution or extra accommodation.

Price: \$480 per week
