### Designed With Family In Mind

This spectacular 4 + study/5 bedroom, three-bathroom masterpiece is an out-and-out winner for families seeking to upgrade to a substantial home in a first-rate position. Uncompromising design standards, premium inclusions and majestic dimensions have resulted in a family home with magnificent credentials.

Four distinctly separate living zones include a formal lounge/sitting room, family/rumpus area, upstairs retreat and an open layout meals/family space that adjoins the massive timber and granite kitchen. With sprawling benchtops, abundant cabinets and huge walk-in pantry, even the most industrious home chef will be impressed.

A lengthy list of highlights include:

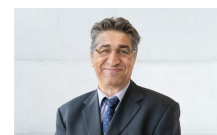

? Two party-sized undercover entertaining areas
