Perfect Spaces To Make Do Before You Make Over

This impressive home offers a wealth of options for astute buyers looking to enjoy today and enhance tomorrow.

Find inspiration in the generously proportioned interior that offers three bedrooms, a retro bathroom in the classic combination of pink and black, a large lounge, spacious dining and a warm and welcoming eat-in kitchen. Picture rails, etched glass doors, timber floors and decorative cornice add to the incentive to create a spectacular renovation and perhaps stretch in the backyard to combine the classic with the contemporary (stca). With Ruthven Park at one end of the street, the tram on Plenty Road at the other, the bus in between and Northland and Summerhill shopping centres minutes away, the position underscores the potential!
