Love At First Sight

With Plenty Gorge Parklands, local playgrounds, excellent public and private schools, Mernda Junction, the new Mernda town centre and transport just moments from your front door, choosing a neighbourhood to raise the kids doesn't get any easier. Nor, for the matter, does selecting the perfect home in which to begin your family's next chapter of lifelong memories, given the impressive nature of this architecturally designed single-level glamour hallmarked by its indoor-outdoor lifestyle enjoyment, sparkling contemporary presentation and luxury of space without the high-maintenance factor.

Built in 2018 and presented as new on a fully landscaped 343sqm (approx.) block, a generous collection of three carpeted bedrooms (master with walk-in robe and chic ensuite) provides family flexibility; a deluxe family bathroom with a divine soaker bath provides a touch of luxury all members of the growing family can enjoy.
