Space And Style Without The High-Maintenance Factor!

Big and spacious with two separate living areas yet low in maintenance, turn the key to a stylish family lifestyle inside this modern three-bedroom family home on an easy-care 416sqm (approx.) block.

Bathed in natural light, single-level in design and dressed with contemporary appeal, this smart starter, downsizing option, investment or home for the young family delivers all the space you need to thrive. And thanks to its sparkling presentation, you can move straight in and get 2023 off to a flying start!

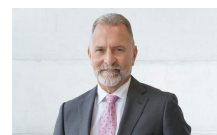

Warm timber flooring and an entertainer's kitchen with a 900mm stainless steel cooker enhance the modern character of the vast open-plan living domain, and speaking of entertaining, catch up with friends and family in the grass-free backyard featuring a north-facing deck (with retractable awning) as its stylish centrepiece.
