Simply Stunning, Secure Ground Floor Apartment in Ideal Location

Cleverly reimagined, completely renovated throughout this stylish two bedroom plus, apartment exude boutique appeal and seconds to buzzing Miller Street. Showcasing sleek Scandinavian interior design with premium touches including tundra grey limestone surfaces, durable engineered oak flooring and private courtyard. A private entry leads to the open plan living/kitchen areas with practical and appealing spaces, a reverse cycle split system heating and cooling unit provides comfort, impressive kitchen with European appliances, integrated dishwasher and cupboards in abundance and a courtyard from the living area. Well-lit and restful bedrooms both with wall to wall carpet and double mirrored built-in robes serviced by a central bathroom with a large, relaxing rainfall shower. Further features include electric cooking, European laundry and carport for one vehicle. Strong security takes the form of a pedestrian gate with intercom and remote controlled vehicle gate. With only seven residences in total, the scale of the site is attractively intimate, and the position puts you within a short walk of the shops, trams, cafes and restaurants of the lively Miller Street/Gilbert Road precinct and only a stroll to parkland by the popular Merri Creek Trail.
