The Perfect Blend Of Comfort And Convenience

Set behind its own fenced front yard, this surprisingly spacious townhouse combines impressive design elements, quality inclusions and outstanding convenience to create a brilliant lifestyle package.

Filled with natural light, the ground floor introduces a generously proportioned living area, complementing it with a family-meals integrating a sleek stone kitchen fitted with quality stainless steel appliances. Sliding doors in a wall of glass extend the living out to an easy-care courtyard all about entertaining, not maintaining. Tucked between the two living areas is a study nook that provides plenty of space for working from home or surfing the net.

Fitted with built-in robes, the two first-floor bedrooms feature their own luxury ensuites, the ideal solution for shared living! Opposite Ruthven station and with the bus just as close, the dining, shopping, boutiques, cafes and professional services on offer in the centre of Reservoir are just minutes away!
