Spectacular Scale & Style by the Yarra's Edge

At every single turn, you will be captured by the fashionable style exhibited from this extra spacious townhouse sensation set on a large allotment. Crafted with Daniel Robertson bricks, nothing has been left to chance in the pursuit of architectural excellence while the convenience of Station St shops, Fairfield Train Station, Eastern Freeway, Alphington Grammar, Fairfield Primary Schools and golf courses provide a reminder of how lucky one would be to live in this cul-de-sac beauty by the Yarra River.

Distinguished by its high end contemporary design, the ground floor includes two bedrooms (built-in robes) with one adjoining a sleek bathroom while upstairs, accommodation is taken to memorable levels with a deluxe master bedroom (walk-in robes.) When viewing the upstairs level, Messmate hardwood floors create a striking aesthetic in the boutique kitchen featuring stainless steel cooking appliances and dishwasher. Entertain in sophisticated style in the sun-infused living area extending to a large all-seasons alfresco retreat destined for wine and cheese nights.
