Fresh, Spacious And Filled With Natural Light

Sitting pretty at the rear of a boutique block of only three and offering far-reaching appeal thanks to its fresh paint, new carpet and brilliant blend of proportions, position and privacy, this single-level sanctuary dishes up the space first home buyers and young families need, the ease re-sizers want and a location everyone is looking for!

Filled with northern light and wrapping around a sparkling kitchen equipped with stainless steel appliances, the open plan living steps out to a wrap-around yard that offers an established lawn complementing a paved area to create a relaxing haven for alfresco enjoyment.

Zoned from the living spaces are three bedrooms that share a spotless family bathroom.
