## Style, Space And Relaxed Family Living

Distinguished by a striking contemporary facade behind a good-looking, low-maintenance garden, this single-level home delivers a family-friendly layout, style and quality throughout..

Presenting sophisticated yet easy-to-live-with spaces, the interior offers a versatile home theatre room (ready to work as a teen retreat/rumpus during the day) complemented by an expansive open plan living-meals.

Finished in good-looking, hard-wearing engineered timber floors, it integrates a kitchen where stone tops, plenty of storage options, and stainless-steel appliances create a haven for the chef and a gathering point for the family!

Extending the living options is tiled alfresco. Under the roofline and with heating, it's the ideal space for all-year-round entertainment and enjoyment.

**Price:** \$680,000
