NEAT AS A PIN!

This single level, two bedroom home is right in the heart of Thornbury allowing you to immerse yourself into an enviable lifestyle. The entrance hallway leads to the master bedroom with built in robes and access to the central bathroom offering bath, shower and vanity. The second bedroom is complete with a wardrobe and overlooks a side courtyard. The vast kitchen and living areas are surprisingly large and offers gas cook top, plenty of bench and storage space and leads to a paved private courtyard.

With split system heating/cooling, single lock up garage with internal access and a location only moments from Thornbury train station, the #86 and #11 tram lines and Thornbury North shopping strip only a hop, skip and jump? this is almost too good to be true.

Please note inspections may be cancelled up to 24 hours prior without notice, if you have not registered for the inspection, we recommend calling 9480 2288 to confirm inspections on the day.

Price: \$500 Per Week
