

18 Montgomery Street Heidelberg Heights, VIC

Art Deco Period Home

Situated in an outstanding location with ease of access to public transport, schools, main hospitals, and shopping strips; this stunning period home has the features to match.

The Art Deco property features polished floorboards throughout, ornate ceiling roses, two good-sized bedrooms plus a third smaller bedroom and a well-lit home office or sunroom. The kitchen boasts an upright gas stove, beautiful lead-light windows, bright white cabinetry with ample storage space. The updated bathroom showcases a clawfoot bathtub, shower over bath, a ceramic freestanding basin all with classic tapware. The secluded rear courtyard is a low-maintenance backyard with a small lawn, paved area, planter box and overlooks the lush treetops. Further highlights include hydronic heating, split-system heating/cooling, a double carpark with a large laundry and separate toilet.
