Space And Style In The Coveted Aurora Estate

Offering a perfect balance of space, style and convenience, this modern single-level three-bedroom family home in the popular Aurora Estate delivers smart low-maintenance living with swift access to key lifestyle assets.

At its heart, this impressive residence features a sun-soaked open-plan kitchen/meals/family domain and separate carpeted lounge, which presents a sizeable space in which to relax with the family.

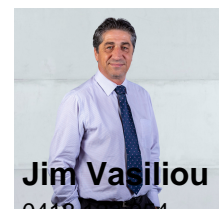

A sleek island bench accentuates the functionality of the contemporary family-sized kitchen, which excels with its stainless steel appliances and plentiful storage, while two sets of sliding doors unite both living areas with the undercover alfresco and low-maintenance backyard.
