## Sustainable Urban Living at Its Best!

Urban Living Redefined

**Price:** \$595 Per Week

This exceptional two-bedroom, one-bathroom apartment is total eco-conscious design, where everything is crafted to leave a minimal footprint on the environment while elevating your lifestyle. Live in the award-winning Nightingale Village, the benchmark of sustainable urban living in the heart of Brunswick.

You will love the sleek, modern kitchen featuring stainless steel benchtop, integrated dishwasher and Fisher & Paykal electric appliances. The open-plan living area offers style and breathtaking views of the Melbourne city skyline ? your personal oasis in the heart of the urban landscape - with beautiful recycled timber hardwood floorboards throughout. Plus the reliability of embedded electricity and high-speed commercial-grade internet (connection included). Shared rooftop garden, common room and bath house.
