Modern Luxury

Offering a wonderful sense of privacy and space, this as-new home has been designed with modern living in mind. Showcasing first-class quality throughout, you are welcomed inside to an open plan living and dining area highlighted by polished concrete floors flowing through to a kitchen boasting quality appliances, stone benchtops and modern cabinetry that provide excellent storage space. The living area includes two skylights for added natural light, a split system for heating/cooling and an adjoining full-sized laundry with plenty of cabinetry for storage. Step through the hallway to discover the master bedroom with a generous built-in robe and contemporary ensuite; with two remaining bedrooms sharing an equally stylish family bathroom and both include built-in robes.

Some of the many features include:

- A private rear yard for relaxing and entertaining outdoors
- Split system air conditioning
- Quality carpet

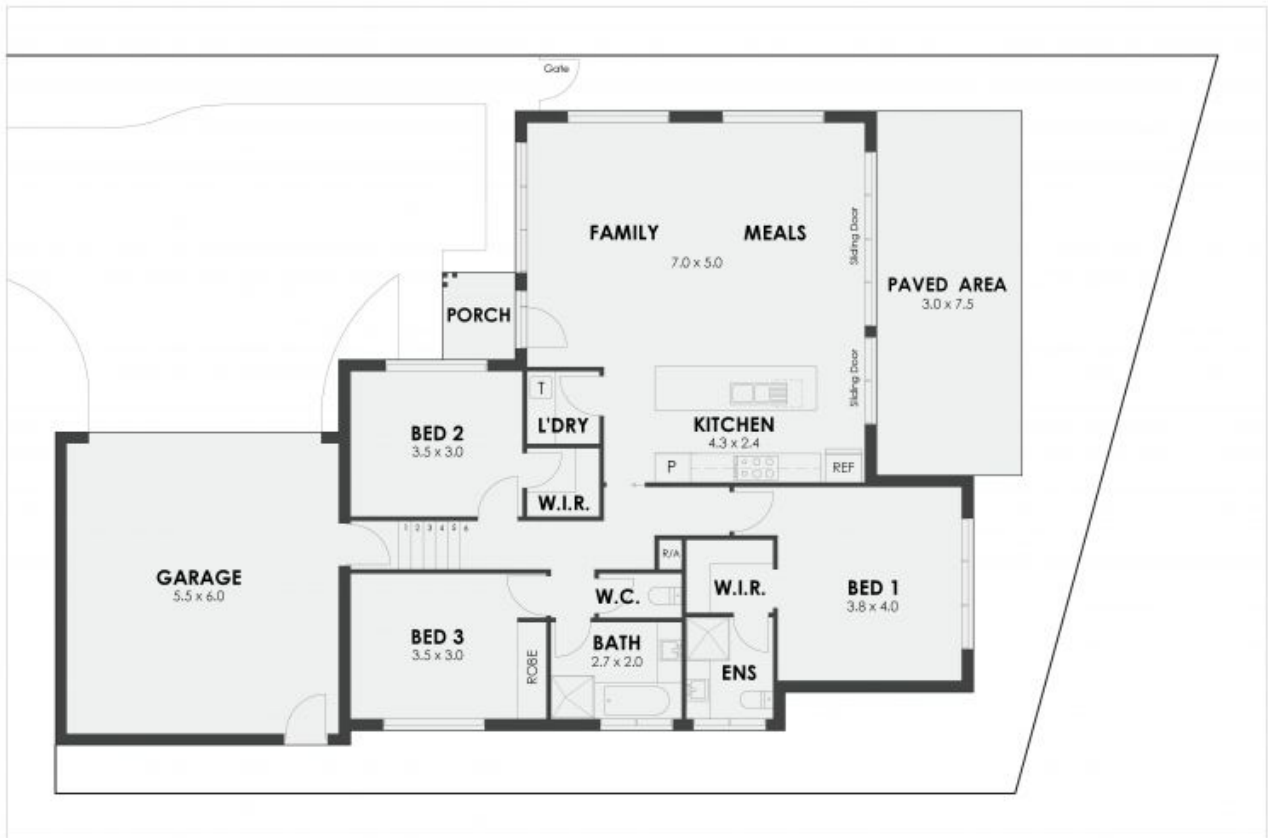

Price: \$720 per week
