Redefining stylish living thanks to a carefully considered renovation, this private sanctuary on a generous corner allotment within the heart of it all has been thoughtfully crafted to perfection to capture the essence of this inner-city pocket!

While the original charm has been lovingly preserved, every room has been transformed. On-trend shades, engineered timber floors, and quality carpet blend beautifully with high ceilings and fireplaces, decorative archways, ornate cornices, and profiled skirting boards in a perfectly presented interior. Opening off a traditional hallway is a main bedroom with a fitted walk-in robe and a luxury ensuite and two further bedrooms that share an equally impressive family bathroom featuring a back-to-the-wall bath.
