Unlimited Potential & Position Perfect

With the Lalor Hub and Huskisson Recreation Reserve at your doorstep, Lalor train station, bus services, an array of schools and Pacific Epping all within easy walking distance, five-star level convenience is a given here.

Those inspired to make their mark in such a highly convenient locale will be motivated to transform the bright interior into a contemporary classic. With a generous land component, the temptation will also be there to redevelop or start again and build your dream lifestyle home (STCA).

A true renovator's delight, the home features timber floorboards beneath the floorcoverings throughout the three spacious bedrooms and bright lounge, while the open-plan meals/kitchen area offers a direct view across the grassed backyard. There is also ample off-street parking including a large garage for your convenience.

Price: AUCTION THIS SATURDAY \$495,000 - \$540,000
