Luxury Living That All The Family Will Love

Impeccable in its presentation, exceptional in its build quality and extremely generous in the amount of space it offers on its beautifully landscaped block, a family lifestyle of the highest calibre awaits once you step inside. The luxury of two separate living areas accentuates everyday functionality, but it's the presence of a spectacular kitchen, multiple bathrooms and the option of 4 bedrooms that comfortably accommodates the growing family needs. Engineered timber floors flow throughout the airy interior, which begins with an entrance passageway and arrives at a show-stopping open-plan living domain of incredible proportions. A grand kitchen anchors the open-plan living area and achieves maximum wow factor with its feature island breakfast bench, quality appliances and beautifully balanced finishes, while doors effortlessly unite with the alfresco rear yard. This residence also enjoys the benefits of ducted heating, cooling, lots of storage, remote double garage and a family laundry. It also provides easy access to Kalkallo Town Centre, local schools, parks, shops, and public transport/major arterials. Kalkallo's welcoming atmosphere and convenient amenities make it such a sought-after location!
