

29 Streeton Circuit Mill Park, VIC

### The perfect Family Home

This spacious 4-bedroom home offers a perfect blend of comfort and functionality, with each bedroom featuring built-in robes for ample storage. The large kitchen is equipped with stainless steel appliances, including a dishwasher, and offers plenty of counter space. A separate lounge provides a cozy area for relaxation, while the undercover entertainment space is perfect for hosting guests. The property also includes a lockup car space with room for 3-4 cars, two sheds for additional storage, and an electronic gate entrance with extra car space on the driveway. For year-round comfort, there is ducted heating, evaporative cooling, and a 320L hot water system. The home also benefits from energy-efficient solar panels and beautiful floorboards throughout. This family-friendly property combines modern living with plenty of space and storage for a comfortable lifestyle.

**Price:** \$600 per week
