A Stylish Abode In A Peaceful Location

Securely set back from the street toward the rear of a boutique development, this large opportunity feels more like a spacious house rather than a unit. It's also enhanced by its blue-chip locale, just meters from Edwardes Street Village, local cafes, schools, and Edwardes Lake parklands. Immaculately kept, this impressive home begins with a warming kitchen and dining precinct, filled with an abundance of storage and appliances for meal preparation before stepping into a separate lounge room. Three bedrooms are serviced by a neat bathroom and laundry. The rear courtyard offers space for quiet reading or entertaining. Heating, cooling, carpets and fantastic storage options are valued additions to a property that positions itself as an ideal first home or downsizing option!
