### Cherished Family Living ? With Bonus Teenagers Retreat/ Home office ?.

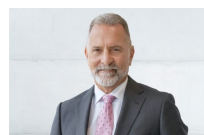

Situated in a coveted leafy pocket and being in the " highly sought" St Helena College school zone, its easy to understand why this neighborhood is so popular with families?

Whether it continues to be a wonderful family home or a possible dual income investment, one things for certain, it's a win win either way ?

Much loved and beautifully presented, it features a sunfilled formal lounge/dining room, a fantastic bright kitchen with family size bench and cupboard spaces with an adjoining extra-large meals/family area and 3 excellent bedrooms with the master enjoying 2-way access to the oversize sparkling family bathroom.

Add to this, a teenagers retreat or home office or guest room that has its own complete bathroom.

Outside features an extra large double garage, a double carport and child-friendly rear yard.
