A Rare Jewel: Four Bedroom Home

This immaculately maintained Californian bungalow has been recently painted offering two spacious living areas, central kitchen with gas cooking and dishwasher, all bedrooms have built in robes with the fourth having a walk in robe. A bright bathroom with shower and bath, a separate laundry and rear double garage.

This home is beautifully presented inside and outside and offers features such as ducted heating, split system to living area polished floorboards and well maintained gardens. Conveniently located within with public transport and local shops all within walking distance . This one is certainly one not to be missed.

*****All gardening is included in lease price***** .

Price: \$1,085
