Renovated 3-Bedroom Home

This updated three-bedroom home offers comfort, convenience, and modern living. Freshly painted throughout, it features a spacious lounge room with a split-system heating and cooling unit, perfect for year-round comfort.

The tiled kitchen and meals area includes updated benchtops, gas appliances, and ample space for family dining and entertaining. All three bedrooms are fitted with brand new carpets, and the home features a well-appointed two-way bathroom for added convenience.

Additional features include:

Internal access to a single brick garage

Extra off-street parking space
