Contemporary 2-Bedroom Townhouse in Prime Thornbury Location

Step into a lifestyle of contemporary ease and inner-north convenience with this light-filled, front-positioned townhouse in a boutique block of just five. Thoughtfully designed across two levels, this residence is ideal for anyone looking for a low-maintenance home in a vibrant urban setting.

Downstairs, you'll find the main bedroom complete with built-in robes and a sleek private ensuite. There's also a full-sized laundry and internal access to a secure lock-up garage, adding a layer of practicality and peace of mind.

Upstairs is the heart of the home: a second double bedroom with built-in-robes, an additional stylish separate bathroom, and a bright open-plan living and dining area. The living space extends effortlessly to a wide, north-facing balcony-perfect for morning coffee, weekend brunches or relaxed evening entertaining. The adjoining galley kitchen is fitted with stone benchtops and quality gas appliances, blending functionality with a modern edge.
