A Wonderful Place To Call Home

With a lovely presentation, an enviable court location, plus proximity to schools, parks/creeks and local shopping, it's clear from the outset that this is a home where memories have been made. Occupied as a well-cared for family home that was undoubtedly at the top of the market in its time, now the focus is for a new family to make it their own. Here, you could comfortably move in with ideas for a fresh make-over or develop on its generous allotment of approx. 1018m² (STCA). The interior introduces an entrance foyer alongside a separate living room, nearby you'll find a spacious master suite and home office/4th bedroom, before stepping into an open kitchen and dining area with an additional family room. The immaculate kitchen displays fantastic storage and functional modern appliances. Further along, an additional two bedrooms plus a family bathroom and laundry. The rear yard is the perfect setting for outdoor entertaining with lots of grassy gardens. Added features also include, ceiling fans, hardwood timber floors, split system heating/cooling, window furnishings and a double garage. Fantastically positioned within close distance to public transport, parklands and reserves, Greensborough Plaza plus local schools.
