As-New Indoor-Outdoor Entertainer!

This immaculate town residence, at the rear of a block of only three, brilliantly adds al fresco living to a lifestyle location - just a short walk in one direction to the shops on Lorne Street, and the caf?'s, eateries, shopping and train at Lalor's main shopping precinct in the other.

Suiting those starting out or slowing down, this cosmopolitan creation features main bedroom complemented by a study, slick family bathroom, the convenience of a European laundry and light bright open plan living that includes a sleek stone finished kitchen with stainless steel appliances.

Sliding doors lead to an outdoor oasis, perfectly private thanks to established hedging and ready for alfresco enjoyment.

Split system climate control, car parking, shed and low maintenance spaces inside and out make this a must see!
