Contemporary Comfort in a Peaceful Reservoir Pocket

Be the first to enjoy this freshly painted, beautifully presented two-bedroom residence, perfectly positioned in one of Reservoir's quiet, family-friendly streets. Offering modern finishes, light-filled interiors, and low-maintenance living, this stunning home is ideal for professionals, couples, small families, or downsizers looking for comfort and convenience.

Step inside to discover an open-plan living and dining area complemented by beautiful timber flooring and a sleek contemporary kitchen featuring stainless steel appliances, gas cooking, ample storage, and generous bench space. Both bedrooms are generously sized with built-in robes, while the stylish central bathroom offers quality finishes and a spacious walk-in shower.

Designed for year-round comfort, the home also features split-system heating and cooling, ceiling fans, and a functional floorplan that perfectly balances space and practicality.

Price: \$545 per week
