Established Family Living In A Prime Epping Location

Privately positioned within a peaceful cul-de-sac, this exceptionally well-built residence presents a rare opportunity to secure a quality family home in one of Epping's most convenient pockets.

Elevated from the street and offered to the market for the first time in 30 years, the home combines generous proportions, practical living spaces and an impressive array of features, making it an ideal choice for families seeking comfort, versatility and convenience.

Upon entry, the well-considered floorplan places all bedrooms together, providing a dedicated accommodation zone for the family. The generous master suite is complemented by a walk-in robe and private ensuite, while the remaining bedrooms feature built-in robes and are serviced by the central family bathroom.
