Architectural Style Meets Effortless Thornbury Living

This contemporary project in Thornbury brings architectural confidence and carefully curated finishes to a practical multi-level design. The residences balance warm timber tones and natural textures with a bold exterior palette of brickwork, render, and dark vertical cladding.

At the heart of each home, open-plan living and dining are anchored by a beautifully appointed kitchen finished with a Dekton Ceppo benchtop, quality joinery, mosaic splashbacks and brushed carbon tapware. A Bosch integrated fridge and a concealed rangehood support a streamlined look, while the adjoining balcony extends the living space outdoors.

Price: \$1,390,000
