Classic Brick Living With Timeless Character

Set upon a substantial parcel of some 786m2 (approx.), this brick veneer residence offers an exciting opportunity for families, renovators, and astute investors alike. Full of retro character and framed by classic period features, this much-loved home is ready for its next chapter, whether you choose to move in or refresh.

Inside, a welcoming layout unfolds with a generous formal lounge flowing through timber-framed sliding doors to a separate dining room, both bathed in natural light and featuring ornate cornices and elegant chandeliers. The central kitchen and meals area retains its timber cabinetry and offers ample storage, while a split-system unit and central gas heating with outlets to rooms keep the home comfortable throughout the seasons. Three well-proportioned bedrooms provide restful retreats and are serviced by a family bathroom with a separate bath and shower, plus a practical laundry. Built-in robes are located in the passageway. The distinctive checkerboard tiling and warm timber accents throughout give the home a truly timeless appeal.
