Effortless Living In A Beautiful Setting

Designed for comfortable family living across two levels, this beautifully presented home combines light filled interiors with a practical and versatile floorplan. The welcoming lounge flows through to an open plan kitchen and meals area, where a central island and generous cabinetry create an inviting setting for everyday living and entertaining.

Upstairs, the master bedroom offers a walk-in robe and ensuite, while two additional bedrooms and a central bathroom provide comfortable accommodation. A ground floor study/bedroom adds flexibility for a home office, guest room or additional bedroom.

Outside, a covered pergola extends the living space into a private, established rear garden, creating an ideal setting for outdoor dining and relaxation. A secure garage, laundry and under stair storage add further everyday practicality.
