Boutique Luxury in a Premium Reservoir Setting

Brand new and built to an exceptional standard, this striking front townhouse forms part of an exclusive boutique development of only four residences. Impressive from the outset, the bold facade sets the tone for a home that combines contemporary style, quality finishes and thoughtful functionality.

Upon entry, stylish timber flooring flows through to a spacious open-plan living and dining domain, centred around a beautifully appointed stone kitchen featuring quality Westinghouse stainless steel appliances and dishwasher.

Large sliding glass doors extend the living space outdoors to a private, decked entertaining area, creating an ideal setting for entertaining, relaxing or enjoying year-round outdoor living.
